New Voter Information Cards Mailed to Marion County Voters

Marion County, FL. June 27 - As a result of decennial Redistricting that followed the 2020 U.S. Census, Marion County Supervisor of Elections Wesley Wilcox was required to redraw precinct lines in Marion County. The proposed precinct lines submitted to the Board of County Commissioners were unanimously approved on Tuesday, June 21, 2022. The new maps can be viewed at www.VoteMarion.Gov/Maps.

Marion County is now represented by Congressional Districts **03** and **06**, State Senate District **09**, and House Districts **20**, **21**, **23**, **24**, and **27**. Additionally, Marion County's total number of Election Day voting precincts has been consolidated from 122 to 105. Early Voting sites remain unchanged.

The Marion County Supervisor of Elections office began mailing new voter information cards this week to all active registered voters (Approx. 270,000). The voter information card contains voters' updated districts, precinct, and polling place information for the August 23 Primary and November 8 General Election. A voter information card is for informational purposes only and cannot be used as identification at an Election Day or Early Voting site.

To avoid confusion on Election Day, voters should carefully review their new voter information card as their polling place may have changed since they last voted. Voters are also encouraged to verify that their name, address, and party affiliation are up-to-date. Voters may lookup or update their voter information by visiting www.VoteMarion.Gov.
